

**Techno Kids: Tech Sampler
with Miss Christa
Grade 3rd-5th**

Wednesday, 3:15pm – 4:15pm in the Technology Lab

Tech Sampler, all the things we want to do in tech class but one hour a week doesn't allow us! Digital photography, Robotics, Podcasting, Snapcircuits, Stop Animation, Computer Builds, Basic coding and or/Scratch/Wordpress Site Design, Minecraft Challenge (Let's Build our own world on the Kirk Minecraft server). Averaging 1 week per subject, some we will expand into two weeks.

Cost \$180 for 10 weeks beginning 9/16/15
